MEET TOMORROW.

Call Issued For Meeting of State Commissioners.

Judge Pryor's Successor May be Elected—Contest Notices Will be Served Today.

Frankfort, Ky., Dec. 20.—Chairman Pryor, of the State Election Commission, arrived here to-day from his home and issued a call for a meeting of the commission, to be held on Saturday next, the 23d inst., in the office of the secretary of State here. The meeting is for the purpose of examining and canvassing the returns from the congressional election just held in the Seventh district. The County Commissioners will meet in each of the eight counties of the district to-morrow and prepare the returns.

If Capt. W. T. Ellis and Senator C. B. Poyntz, the other members of the State Commission, can both be present at the meeting on Saturday the matter of Judge Pryor's resignation will be considered, and his successor on the board named.

Though notices of contest have been prepared against both Gov. Taylor and Lieut. Gov. Marshall, they have not been served, and probably will not be until Friday.

Louis McQuown, of Bowling Green, will be the leading counsel for Mr. Goebel before the Legislature. Taylor's managers say counsel for the Republicans will not confine themselves to rebuttal of the grounds of contest laid down in the Goebel notice, but will go outside, and expect to show flagrant frauds in many of the large Democratic counties.

DEATH CLAIMS

Well Known Tobacco Man—Sick Only a Few Days.

Mr. Hiram A. Phelps, Jr., a prominent tobacco dealer of the Hopkinsville market, died rather suddenly at six o'clock Wednesday evening, of internal hemorrhage, aged about forty years. He was one of our best known and most popular young men, and as he had been sick only a few days, his death was a surprise and great shock to his host of friends in this city, in which he was born and had spent all his life. He was the youngest son of the late Hiram A. Phelps, for many years the Nestor of the Hopkinsville bar, and belonged to one of the oldest and most widely known families in Western Kentucky. For years past his has been one of the familiar faces seen upon the boards of the tobacco market and the streets of our city.

Hiram was a noble fellow and had a host of friends and no enemies.

Funeral services were held at the Phelps residence, on South Main street, at 3:30 o'clock yesterday afternoon and the interment followed at Hopewell. A large concourse of friends and relatives witnessed the last sad rites.

DIED OF HEMORRHAGE.

Young Lady Passes Away After Brief Illness.

Miss Ethel Duke, aged 17 years, daughter of Mr. L. P. Duke, died at the home of her parents on Jessup Avenue Tuesday morning of hemorrhage of the bowels. She was only ill about a week and her death was rather sudden. She was a very bright and popular young lady and leaves a large circle of friends to mourn her loss.

Funeral services were held Wednesday afternoon and the interment took place in Hopewell.

Shepherd-Oden.

Milton R. Shepherd, a Todd county planter, and Miss Ollie Oden, of Christian, were united in marriage at the home of the bride, near Bainbridge yesterday.

KILLED BY FILIPINO.

Soldier's Death Comes to Gen. Lawton at San Mateo.

Gallant Warrior Falls in Front of His Troops—Death Followed Immediately.

Manila, Dec. 19.—Maj. Gen. Henry W. Lawton has been shot and killed at Mateo. He was on the firing line, in front of his troops, was shot in the breast and died immediately.

Gen. Lawton was walking along the firing line within 300 yards of a "small sharpshooters' trench, conspicuous in the big white helmet he always wore, and a light yellow raincoat. He was also easily distinguishable by reason of his commanding stature.

San Mateo lies between a high mountain behind and a broad, shallow stream in front, with wide sandbars which the insurgent trenches and the buildings command. The Americans were compelled to ford the river under fire. It was while they were lying in the rice fields and volleying across preparatory to passing the stream that Gen. Lawton was shot.

All except the officers were behind cover. A staff officer was wounded about the same time, and one other officer and seven men were wounded.

After three hours' shooting the Filipinos were dispersed into the mountains.

Col. Lockett took command when Gen. Lawton fell.

Gen. Lawton was known as a good fighter and soldier of experience and ability. He served in the Union army throughout the civil war. He married Miss Mamie Craig, a Kentucky lady, seventeen years ago, and his wife and their four children accompanied him to the Philippines.

The body will be brought to Manila and sent to the United States for burial.

CAYCE-MAJOR.

Prominent Young Farmer Takes Unto Himself a Wife.

The marriage of Miss Mary E. Major, the pretty and accomplished daughter of the late Jas. Major, and Mr. Minor M. Cayce, a prominent South Christian farmer, took place Wednesday evening at the home of the bride's mother, two miles west of the city, amid a large assembly of mostly young people, friends of the contracting parties. Dr. Chas. H. Nash, of this city, performed the ceremony. A wedding supper was served and the occasion was heartily enjoyed by the large crowd present. The bride is a lady of much beauty and enjoys a wide popularity. The groom is a son of Mr. G. R. Cayce and enjoys the esteem of all with whom he has been associated, and no young man in the county is more popular.

The young couple were tendered an elegant reception last night at home of the groom's father, five miles south of the city, where a very large crowd assembled to participate in the festivities. Mr. and Mrs. Cayce will go to housekeeping near Beverly.

SHOULDER DISLOCATED.

Drummer Goes Through Culvert With Disastrous Results.

Mr. Harry Bridges, the well known Louisville merchant and traveling man, happened to a painful accident in this city Tuesday. He was walking down the street and in attempting to cross a culvert broke through the arch. Mr. Bridges was thrown to the ground with such force that his left arm was dislocated. He was taken to Dr. J. B. Jackson's office, where he received the necessary surgical attention and was able to continue his business trip.

FROM MANILA.

Corporal Ware Writes From The Philippines.

Extract From a Private Letter to His Father Here.

On board Steamer Zanlandia, one day off Honolulu, Oct. 15, 1899.

Well, here I am again, out of sight of land and just think of it, our trip has just begun, for it will take us from 15 to 20 days more to get to Manila. We got to Honolulu Thursday night at 12 o'clock and left Saturday evening at 6:30. I got a pass out in town on Friday for six hours and took several of my men. Each corporal had to take charge of his men while on land.

Honolulu is a beautiful city of 40,000 people, mostly Chinese, Japs and natives, but with lots of Americans. It is an up-to-date city, fine stores and good streets, rubber tires, bicycles and everything. We went to a beautiful residence that had coconut trees in the yard and were met by a Chinaman servant. We asked him for some coconuts. He said his "missus" was away and to come to-morrow. We climbed a tree and got four and they were fine. Everything is high-priced here, even fruit. I asked the price of eggs and was told five cents each. Beer sells at 15 cents a glass, and whisky at 25 cents a drink (none of our soldiers got drunk). Just as our ship pulled out the City of Para, another transport with part of the 29th, came up to our side. On it was Frank Cook and Ed Buchanan, Buchanan told me Will Withers lived there. It was too late and I did not get to see him.

It will be two months before you get this.

Oct. 28.—I started this letter some days ago and would have finished it but I didn't have anything to write. We are now 13 days out from Honolulu and 24 from San Francisco. We have been making 12 or 15 miles an hour and have 5 or six days more to Manila. We are about 5800 miles from home. Our ball of fare is pretty tough now. The meat isn't good and I haven't eaten any for ten or twelve days. I eat bread, coffee, prunes, peaches, stewed and potatoes, but not all at one meal.

Two nights ago we passed a volcano in eruption. We were three miles away. It was quite a tall mountain alone in the ocean. It was as if things were greatly over-rated, not much light to be seen.

We got a touch of war this morning after we stood an inspection of arms. We were issued 100 loaded shells for use in case we land, for we expect to sight land to-morrow and so will sail in sight of the island for some time and we might have a chance to use our guns. Of course it is simply a precaution. Our ship is one of the best on the water, no shortage but well equipped and quite fast. We have fine weather.

THESE LADIES
HAVE NEVER tried the great system regulator **PRICKLY ASH BITTERS.** Because they think it is nasty and bitter, disagreeable to the stomach and violent in action.

ASK THESE
Our Texas travelers, Messrs. Stevenson and Brance, were last heard from at Brinkley, Arkansas, within fifty miles of Little Rock.

Mr. J. J. Sherrill left here for California Saturday, where he expects to make his future home.

Mrs. John Taylor, and daughter, of Kennedy, are visiting the former's mother, Mrs. M. A. Stevenson.

Miss Mary Lee Pattillo is visiting her sister, Mrs. Cherry, of Jordan Springs, Tenn. "Puck."

They will tell you it is not at all disagreeable. And as a cure for Constipation, Kidney Disorders it is unexcelled.

There. We won't go to Hong Kong but will come back that way.

Oct. 31.—We sighted one of the islands at 10:30 and were still in sight of two yet. We see smoke in one of them about 13 miles and also see a ship.

Nov. 2.—It is 4 a. m. and we are anchored out of Manila about 2 miles. Got here last night at 10 o'clock. Will go ashore as soon as it is light enough. Most of the men are asleep, but some are awake and I couldn't sleep. I am on deck under electric light and can see thousands of lights in the city. We met a transport yesterday at noon loaded with soldiers. She was only about 300 yards from us. It was the only time I have been the least homesick. I knew they were going back home and they were glad. They waved and howled at us for a long time. I have to mail this in an hour or you will not hear from me for some time. Will write more when we land.

Calocan, 10 miles from Manila, Nov. 6.—This is the very first chance I have had to write a line since I arrived at Manila. We have been here three days and have moved camp 3 times, each time at night, and across streams 3 feet deep. It rains at least twice a day and generally often. Our regiment is getting farther and farther from Manila each day. We are now on what is called the firing line and we hear shots every night, sometimes at nothing but frequently at the enemy. Our company went out on patrol yesterday afternoon late and saw a squad who ran away. I wasn't along as it was my time to be corporal of the squad. I was out the day before and we went about 8 or 10 miles south of Manila but none had arms, so we didn't bother them. I don't believe we can ever whip them while we fight them as we do. In the first place, it is awful ground to fight on, full of thick underbrush and swamps and all of the country we have been over is ditched for rice fields and makes fine trenchments.

In the second place, we allow any of the people to pass right through our lines, and also our camps if they have no arms with them. They can carry only two pounds of rice and dry fish. Many have 10 or 15 pounds of rice besides oil and sugar. We turn them back, but I guess they divide it up and go ahead. I guess at least 200 have passed through our company to-day, besides many other roads lead to Manila. To-day we are camped in long houses that our government has built at a cost of \$47,000. They are built entirely of bamboo and it is the finest work of the kind I ever saw. Each of them will hold at least 300 men and there are at least 15 of them. I don't know what our next move will be. The mail is nearly ready and so is dinner, so I will close.

JAS. H. WARE,

Corporal U. S. A.

NEWS NOTES
Front the Village of Bennettstown, Chronicled by "Puck."

Bennettstown, Ky., Dec. 15.—The farmers of this vicinity are taking advantage of the cold weather and have nearly all killed hogs.

The meeting at this place conducted by Rev. J. D. Fleming came to a close more than a week ago. We wish Rev. Fleming well wherever he may go. He is an earnest and zealous man and one that will, we hope, do much good.

Mr. M. J. Cooper and family, who have been living in Florida for some years, have returned to their old home, the "Cooper house," near here.

Mr. T. D. Meice, our prosperous merchant, is getting in a first class stock of goods and we wish him great success.

The birds are plentiful, and it is, though I hang! but we haven't so much as tasted a partridge.

HAS NATURE WARNED YOU?
Nature herself, in the early part of spring, blossoms forth trees and flowers, causing the delicate system to vibrate to this, the most delightful of all springtimes, and now do that! Buy a bottle of **Tutt's Liver Pills**, the forerunner of Chills, Malaria and Typhoid Fever. If you must not pass this warning as it is an indication of sickness, avoid this, consult us as our advice comes in a bottle of Dr. Carleton's German Liver Powder. Take one dose a day at bed time for six days, then follow by procuring a bottle of **Tutt's Liver Pills**. You feel like the flowers look in the spring. Prepare yourself for a material or hot season when the atmosphere is full of germs. It is necessary and when your system warns you, accept advice. These Remedies are stock "hold by"

Two Millions a Year
When people buy, try, and buy again, it means they're satisfied. The people of the United States are now buying Cassius M. Clay's Cathartic at the rate of two million boxes a year and it will be three million before New Year's. It means merit proved, that Cassius M. Clay's Cathartic is the most delightful bowel regulator for everybody year round. All druggists 10c, 25c, 50c a box, cure guaranteed.

Staten's trip now in the Back of Job seem to be that he is an in front walking delegate.

Nature "makes all things beautiful in their time. Every one of life's seasons, when life moves on Nature's lines, has its own charm and beauty. Many women dread that period when they must experience change of life. They fear that face and form may suffer by the change, and that they may fail to please those whom they love. The value of Doctor Pierce's Favorite Prescription for the cure of woman's life lies in the fact that it assists Nature. Its use preserves the balance and buoyancy of the mind and sustains the physical powers. Many women have expressed their gratitude for the help and comfort given by "Favorite Prescription" in this trying period. Its benefits are permanent and conduce to mental happiness as well as physical strength.

A gambler is seldom surprised when society discards him. But he considers that they have turned down a trump.

Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or uneasy heart beats, and makes one feel as though they had heart trouble, because the heart is overworking in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effects of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Send 3¢. Also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Birmingham, N. Y.

The City of Charlotte.

The palace car, city of Charlotte, sent out by the Bureau of Immigration and the Department of Agriculture of the State of North Carolina, arrived in the city yesterday, according to announcement, and will remain here three days. The "rolling palace" is filled with the products of North Carolina and is a beautiful exhibition. Hundreds of people visited the car on yesterday and many more will see the sight to-day and to-morrow. The interior of the car resembles a regular state fair and every one should see it. Only the small admittance fee of 10c, to defray expenses, is charged.

The Carrier Boys.

The KENTUCKIAN carrier boys will be around as usual this year with a handsomely printed address and will expect substantial takings in the way of cash from their many patrons for the good service they have rendered during the year. The boys are Vernon and Eugene Allen. They will visit you on Monday next, and any donation from a "Five Dollar William" down to a smaller figure will prove most acceptable. Help the boys along and they will not soon forget it.

TURNER-SMITHSON.

Church Hill The Scene of a Pretty Wedding.

A pretty wedding took place at the residence of Mr. W. E. Adeock, near Church Hill, Wednesday afternoon. The contracting parties were Mr. Newton L. Turner, a well-known farmer and mail contractor of the Guthrie neighborhood, and Miss Mollie Smithson, sister of Mrs. Adeock. The ceremony was performed by Rev. John O. Smithson, of Highway, Ky., brother of the bride, in the presence of a limited number of friends and relatives of Mr. and Mrs. Turner.

The groom is a prosperous Todd county gentleman and his bride is a very popular young lady and the KENTUCKIAN joins a host of friends in wishing them a happy future.

BUT LITTLE DOING.

New Season Expected To Open With A Push.

There is but little doing upon the boards of the Hopkinsville tobacco market just now, and everything will be dull until after the holidays and the new year opens. The planters have generally gotten their crops in shape for delivery, and something of a boom is looked for with the opening of the season. Buyers are out all over the district, and in some instances are offering the very highest prices, but the planters are not anxious to sell. Consequently there will be but little done until after the new year. The past year has been one of the best in the history of this market, and there is every reason to believe that the coming season will even surpass this.
